Article 1 International Master of Business Administration Management (IMBA) establishes the following measures to ensure the original works of the students from IMBA and uphold academic integrity.

Article 2 IMBA implements the paper originality comparison plan after the 1st IMBA Curriculum Committee Meeting in 2020.

Article 3 Measures Standards:

- (1) Use the paper originality check tool: Turnitin.
- (2) The result of the Turnitin paper similarity index should be under 25% (exclude citation and reference). If it is unavoidable to over the limitation, the professor should state the reason on the "Paper Originality Comparison check Form".
- (3) Students should submit a "Paper Originality Comparison Check Form" at least two weeks before their Master's degree oral defense date. Their thesis advisors should approve the checklist in advance.

Article 4 These Measures shall be implemented after being approved by the CTM College Council.

Note: The similarity is under 25% (turn on to exclude reference citation and bibliography).
